Mission Statement

The American Indian Veterans Association has recognized a time for the American Indian Veterans to step forward and be proud of their heritage, sacrifice, and commitment given to the United States of America by the American Indian Veterans.

- 1) Heritage by collecting and preserving the past through photographs, stories, and ceremonies.
- 2) Sacrifice by recognizing and providing full military honors to any veteran who request our services at the time of their burial.
- 3) Commitment to the American Indian Veteran by providing support at the local level through mentorship, education, and advocacy.
